Meta means above
Meta means transcend
Meta means “next level up”
With meta you’ll ascend

So when it comes to daily acts
Choose those with “meta” powers
Build a business
Write a book
Plan for years - not hours

For meta-choices carry-on
Far past the “choosing” day
Earn a black belt
Frame a house
Vision - paves the way

Meta-Decisions - Meta-Thoughts
Will build both wealth and peace
Release yourself
From “pushing”
Meta - “pulls” increase
