Prosperity Poem 112

The human spirit ever soars
And always perseveres
“Dare mighty things”
Stirs vision’s wings
We triumph over fears

With unity - we act in faith
And step by step we build
Our aims attain
And then we strain
Toward goals not yet fulfilled

All obstacles - we push aside
We think and innovate
Reaching higher
With minds afire
Success becomes our fate

We can surpass our differences
United - Earth can stand
And then we’ll see
Prosperity
Increase across the land
