Come with me, and let's create
A world that's based on giving
Come and give, so we all enjoy
The wealthiest kind of living

Come with me and we'll be free
To enjoy complete prosperity

Come with me, for we can make
A world that's based on thriving
Come and help, for we'll do more
Than coping and surviving

Come with me and we'll be free
To enjoy complete prosperity

Come with me, and light the spark
That makes our lives exciting
Come spread this glorious message
-To all the world we are inviting
