

My Wealth Is Sure

Prosperity Poem 26

The brightness of a glorious dawn
Brings to this world its healing light
The bright rays streaming on and on
Though I may be in darkest night

Although it's night, the sun shines still
The rays will warm my body soon
Should my faith waver, then I will
Find comfort in the lighted moon

Just like the sun - my wealth is sure
My hope increases day by day
While new horizons I explore
And prosper now in every way

If darkness hides my wealth from view
My faith remains - it shall be shown
Abundance from my heart renews
Revealing all the wealth I've known
