

Forward Steps

Prosperity Poem 27

[Go here to see this poem on a beautiful background](#)

When small and simple steps I take
I reach my destination
When focused acts I daily make
I reach my wealthy station

Today I'll live a perfect day
I'll create and give and build
With small specific forward steps
My heart and soul are filled

When every single hour I move
Further on my chosen way
Success builds incrementally
Perfect day to perfect day
