

# *Up And Doing*

Prosperity Poem 37

[Go here to see this poem on a beautiful background](#)

Be up and doing - act today  
Put power behind the words you say  
See your vision with mind and eyes  
Use action to help you reach new highs

Be up and doing - follow through  
It's easy to say what you PLAN to do  
Actions prove who you really are  
Mere talk alone won't get you far

Be up and doing - stop your fear  
Fulfill your purpose while you're here  
Great ideas are a place to start  
But success takes doing, acting smart

Be up and doing - take that chance  
And every prosperous circumstance  
Will come to you, and like a friend  
Help you accomplish what you intend
