Get A Vision

Get a vision that you can clearly see
In your mind's eye, your desire is in view
Imagine away, while feelings run free
Vision will guide you in actions to do

What will you get with a vision so clear?
Energy, passion, and power to act
Vision revives you, and overcomes fear
All the odds in your favor are stacked

What will you get when your vision is true?

A drive and an urge that pulls you along

Commitment, confidence and zeal anew

Hope in your heart, and faith that is strong

Get your clear vision - a dream that excites
Then motivate all as your fire ignites
