

Reaching Higher

Prosperity Poem 54

Don't set your sights on easy marks
Or aim your goals too close at hand
But reach up high, and eagerly
Use every skill that you command

Fear not what others say or do
Pursue your truth and your desire
If others mock, they will not feel
The moving force of reaching higher

What you expect, you will receive
Your fervent hopes are self-fulfilled
So set your course for greater things
With confidence now deep instilled

Achieve by day - by week - by year
Enjoy your dreams, ignite your fire
And show the truth to others now
The fiery power of reaching higher
