

Ripples

Prosperity Poem 85

Ripples of fervent gratitude
Flow out from my thankful mind
I feel the ripples cycle back
They are never far behind

Ripples from my loving actions
Though tiny - can help you smile
And when you smile, you pass it on
The ripples flow for a while

Ripples from my forgiving choice
When feelings get hurt a tad
Help both of us to let it go
And make our hearts feel glad

Ripples from our prosperity
Build increased life for all
Our sharing makes a difference
Whether it's big or small
