

Stewardship

Prosperity Poem 92

[Go here to see this poem on a beautiful background](#)

We act as stewards only
Of the things we think we "own"
So let's not get so prideful
And think we "made it" all alone

Our skills and talents also
Come unbidden as a gift
So let's not be self-serving
But reach out to help and lift

Enjoy and use the good things
All the blessings of this earth
We are just the stewards
Of what we've gained since birth

An attitude that sets us free
And flow with more prosperity
Stewardship helps us to see
The riches of all eternity
