

The Brighter Side

Prosperity Poem 93

If the clouds seem darker today
And the sun is hard to find
Try to look on the brighter side
And keep your purpose in mind

Though the storms and trials come
The darkness will one day end
Keep your eye on the brighter side
So your wounds will quickly mend

The brighter side will yet reveal
When you open yourself to see
A view and message full of hope
Shed the darkness - And be free
