Prosperity Poem 95

[Go here to see this poem on a beautiful background](#)

Life is a grand adventure  
And adventures come with tests  
You won't succeed with every try  
You just need to do your best

With adventure comes perspective  
And relationships - and skill  
Yes, the things that really matter  
When you act with power and will

Prosperity is character  
When challenging times arrive  
So brace up and hold steadfast  
Act with confidence - and thrive
